

Human Service Worker

Job Type: Part-Time

The Adult Counseling and Therapy Program is a group-oriented day program addressing the unique needs of adults suffering with severe persistent mental illness. ACT accepts referrals from any source. ACT intake staff regularly interacts with referring families, boarding homes, hospitals such as Camden County H.S.C. and Ancora, and other service providers.

Archway Programs is seeking a Part-Time Human Service Worker for our Adult Counseling and Therapy Program to provide an alternative therapeutic care for adults.

Requirements:

- High School Diploma or GED and 5 years experience in the field
- Possess a Bachelor's degree or associate degree in psychosocial rehabilitation or mental health services, or possess related life experience
