

## **Human Services Aide**

### **Job Type: Full-Time**

The Partial Care programs are dedicated to providing services to youth and adolescents with emotional and behavioral difficulties. Throughout the afternoon, the consumers are involved in therapeutic group activities that teach coping, problem solving, conflict resolution, social and daily living skills.

The program is one entity operating in two different sites. The Berlin program, servicing adolescents ages 12-18, divides the consumers into 4 different group rooms diagnosis. Each program offers consumers a behavioral management system that provides incentives and consequences.

**Archway Programs is seeking a Full-Time Aide in our Partial Care Program located in Berlin to ensure enrolled consumers attend designated program through safe transport of assigned consumers.**

#### **Requirements:**

- High School Diploma or GED and 5 years experience in the field
