

Driver

Job Type: Full-Time

The Partial Care programs are dedicated to providing services to youth and adolescents with emotional and behavioral difficulties. Throughout the afternoon, the consumers are involved in therapeutic group activities that teach coping, problem solving, conflict resolution, social and daily living skills.

The program is one entity operating in two different sites. The Berlin program, services adolescents ages 12-18, the Williamstown program services adolescents ages 5-12. Each program divides the consumers into 4 different group rooms diagnosis. Additionally, each program offers consumers a behavioral management system that provides incentives and consequences.

Archway Programs is seeking a Full-Time Driver in our Partial Care Programs located in Berlin & Williamstown to ensure enrolled consumers attend designated program through safe transport of assigned consumers.

Requirements:

- High School Diploma or GED and 5 years experience in the field
- Possession of a valid Commercial Driver's License with appropriate Class endorsement for transporting Children, Adolescents or Adults
- Current DMV approved Medical Certificate.
- Considerable knowledge of the care, maintenance, competent, safe and efficient operation of vehicles including cleaning, lubrication, servicing of batteries, and care of tires, and of minor repair procedures.
- Knowledge of State Motor Vehicle regulations.
- Knowledge in reading maps, following routes, understanding and carrying out oral and written instructions.
